**STAR PROGRAM (PRIVATE ICE)**

Skating in the Star program is the next step to take after STARSkate Stages 5 & 6. Skaters are encouraged to move to our Star 1-2 sessions as they complete the Stage 6 Canskate requirements.

The Star Program levels are as follows:

Although not required, many skaters in the Star program compete in several competitions throughout the season, and work on a skating program to showcase their skills.

Please note that skaters registered in the Star Program will receive private or semi-private coaching lessons from our coaches during their scheduled skating sessions. The length of the coaching sessions will vary, but typically range from 10-20 minutes per session, and coaching sessions will be scheduled by the coaching staff. **Coaching will focus on the applicable spins, skills, dances and jumps, and it is a mandatory component for Star program skaters.**

**PLEASE NOTE: Coaching fees are in addition to the package registration, and Coaches issue invoices for payment to the skater's family on a regular basis.**

Payment for coaching fees is due upon receipt, and is to be given to the coach Directly (cash or cheque).

**IMPORTANT: Failure to pay coaching fees in a timely manner will result in the skater no longer being allowed to skate during the sessions he/she is registered for. Fees are non-refundable.**

Please contact Sonia 519-381-4666 with questions or for further information.

**FUNDRAISING**

**Kernels Popcorn** - Each family with a skater at the Canskate level or higher will receive a 30-pack of Kernels popcorn and the cost is a required portion of the registration fees. Popcorn stays fresh for 12 weeks and is both Gluten and Peanut-Free.
